Forsyth, MT – Tealinc, Ltd. (“Tealinc”) has launched a new website at www.tealinc.com to further engage with new and existing customers, rail shippers, investors and vendors. The new website holds a listings of railcars available for sale, lease or trade; provides a platform for selling railcars to Tealinc or engaging Tealinc in marketing your idle assets; provides an introduction to our rail fleet management and consulting services; offers an answer to the question “Why Tealinc?”; offers an interactive timeline and history of Tealinc; grants access to our industry coveted newsletter; allows visitors to meet and engage with our team and furnishes customer testimonials.

We’re throwing a Website Launch Party now through May 15, 2020. To encourage visitor interaction, we are throwing a raffle and will be awarding 18 prizes! Anyone who signs up through our new [Contact Us](#) page will be entered into a raffle and **18 winners** will be selected at random on May 15, 2020. Winners will be individually notified and prizes will be mailed to the winner’s address.

Raffle prizes include a Visa gift card and Tealinc Swag Bag filled with Tealinc merchandise to include coffee, tea, mug, flashlight, multi-tool, hat, shirt and/or safety vest.

- **One winner will receive:** \$250 Visa Gift Card & Tealinc Swag Bag
- **Two winners will receive:** \$100 Visa Gift Card & Tealinc Swag Bag
- **Five winners will receive:** \$50 Visa Gift Card & Tealinc Swag Bag
- **Ten winners will receive:** \$25 Visa Gift Card and Tealinc Swag Bag

Tealinc, Ltd. is a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker. Tealinc private rail fleet includes is specially designed and tailored to best meet Tealinc’s diverse and unique customer base. Tealinc’s structure is more of a tactical and boutique approach to rail focused on niche industry shippers, receivers and railroads who may be new to rail or unfamiliar with private rail equipment, are looking for personalized customer support or who are looking for direction in rail best practices. Tealinc focuses on assisting customers not only in acquiring and leasing private equipment but also in marketing, selling, leasing and assessing their private rail fleet.
