Yvonne Lufborough Joins Tealinc, Ltd. in Miles City, MT Office

Forsyth, MT – Tealinc, Ltd. (“Tealinc”), a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker, is excited to announce that Yvonne Lufborough has joined the Tealinc team as the Manager Value Creation - Finance & Administration (MVCFA). Yvonne will be based in the Tealinc Miles City, MT office and will assume daily responsibilities of the current CFO, Tammy Luther. Tammy Luther will remain CFO at Tealinc and will continue to oversee the financial success of Tealinc.

“We are elated to have Yvonne join the Tealinc team,” said Julie Mink, Tealinc – President. “Yvonne has worked in a supportive role to Tealinc for years as an accountant and bringing her on board full-time is an exciting step forward for Tealinc. Yvonne’s expertise in accounting will not only add to the daily accounting practices of Tealinc but will also facilitate a new layer of strategic planning that will be beneficial for Tealinc customers and Tealinc stakeholders.”

Yvonne was born and raised in Miles City, MT where she attended Montana State University-Bozeman and obtained her accounting degree in May of 2002. Yvonne worked in private accounting until becoming a public accountant in December of 2006. She became a Certified Public Accountant in 2012. She worked as a tax accountant until joining Tealinc full-time in July of 2020.

Yvonne's husband, Beau, is a local contractor and they have three children Ryder, Dakota and Charley. In their spare time they enjoy spending time camping, fishing and playing at Hell Creek State Park on Fort Peck Lake in the summer.

Tealinc, Ltd. is a railcar operating lessor, rail transportation manager, rail transportation consultant, and railcar broker. Tealinc private rail fleet includes both railcars and locomotives and is specially designed and tailored to best meet Tealinc’s diverse and unique customer base. Tealinc, Ltd. structure is more of a tactical and boutique approach to rail focused on niche industry shippers, receivers and railroads who may be new to rail or unfamiliar with private rail equipment, are looking for personalized customer support or who are looking for direction in rail best practices. Tealinc focuses on assisting customers not only in acquiring and leasing private equipment but also in marketing, selling, leasing and assessing their private rail fleet.
